

## **Upgrade Equipment**

Financing allows you to upgrade your equipment and soware when new technology becomes available, not when it becomes obsolete.

## **Preserve Credit Lines**

Our financing has no effect on existing credit lines, so they remain ready whenever you need them.

## No Drain on Cash

Financing equipment frees up working capital for other critical needs so you won't need to tie up precious cash.

## **Exceptional Flexibility**

Financing can be tailored to the specific financial needs of your business. Payments can be structured to meet cash flow fluctuations.
