

Rolling Stock

Chicago Pneumatic Industrial Solutions

CP offers a full range of tools and solutions for the rolling stock industry that helps to increase:

Safety

Productivity

Cost Savings

GRINDERS AND SANDERS

CP3019 Series High Performance in a Compact Body

- 0.5 hp governed motor
- Up to 40,000 rpm free speed
- Insulating composite over housing

CP3119 Series Best in Class Die Grinders

- 1.2 hp governed motor
- Up to 24,000 rpm free speed
- Up to 2,000 Hours Maintenance Intervals

CP33 Series Vertical Grinders

- CP3330: 3.7 hp & CP3340: 4.5 hp
- Over speed shut-off device
- Same repair kit throughout series

CP3550 Series Industrial Angle, Die Grinders & Sanders

- 1.5 hp governed motor
- Rotative air swivel
- Same repair kit throughout series

CP3650 Series Premium Industrial Angle Grinders & Sanders

- 2.4 hp governed motor
- Autobalancer available with 5" & 6"
- Easy adjustable 270 swivel guard
- From 4" to 6" angle grinders

CP3850 Series Premium Industrial Angle Grinders & Sanders

- 2.8 hp governed motor
- Heavy duty spiral bevel gear
- Low profile angle head

CP3070-120G 5" Pistol Sander

- High power 0.5hp
- Free speed 12,000 rpm
- Handle exhaust

CHIPPER & NEEDLE SCALERS

B Series Needle Scalers Vibration-Damped Needle Scalers

- Up to 3,800 blows per minute
- 2.9 joules - 15.9 joules
- Low vibrations for smooth operations

NUTRUNNERS

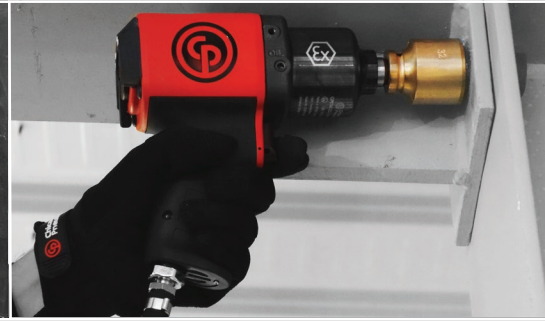

CP66 Series Powerful and Accurate Torque

- 3/4" & 1" square drive
- Torque up to 3,100 ft.lbs.
- Air Torque Control (ATC) FRL kits available

DRILLS

CP1014 Series 0.5 hp Compact and Precise

- 4 models from 500 to 4,500 rpm
- 1/4" & 3/8" chucks

CP1114 Series 0.5 hp Powerful and Reversible

- 6 Models from 500 to 4,000 rpm
- 3/8" & 1/2" chucks
- ATEX options available

CP1117 Series 1 hp Power & Precise

- 18 models from 500 to 6,000 rpm
- 3/8" & 1/2" chucks
- ATEX options available

CP1816 High Power, Durability, D-Handle

- 5/8" D-handle drill
- Powerful with 1 hp motor

CP1720R32 High Power, Durability & Precision

- 1-1/4" (M.T.3) reversible corner drill
- 350 rpm of free speed
- Powerful 2.2 hp motor

CP1820R32 Designed for Intensive Duty

- 1-1/4" (M.T.3) reversible T-handle drill
- 380 rpm of free speed
- Powerful 2.8 hp motor

IMPACT WRENCHES

ATEX Certified Impact Wrenches 1/2", 3/4", & 1"

- Max Torque: 1,290 ft. lbs.
- Dust-proof bronze muffler
- Twin hammer in oil bath
- Steel clutch housing for durability

CP6060 Series Maintenance & Production

- Max. Torque: 1,100 ft.lbs.
- 3/4" & 1" square drive
- Reliable 2-jaw clutch

CP0611 Series D-Handle & Pistol Impact Wrenches

- Max. Torque: 2,800 ft.lbs.
- 1" drive & #5 spline drive
- Reliable 2-jaw clutch

CP6135 Series Premium Quality Impacts

- Max. Torque: 5,900 ft.lbs.
- 1-1/2" Drive and #5 spline drive
- Durable Pinless Rocking Dog Clutch

CP6120 Series Unbeatable Power and Ergonomics

- Max. Torque: 3,600 ft.lbs.
- 1-1/2" Drive and #5 spline drive
- Reliable 2-jaw clutch

CP6240-T120 2-1/2" Super Duty T-Handle

- Max. Torque: 9,150 ft.lbs.
- Reliable Double Rocking Dog clutch
- 6-positions regulator

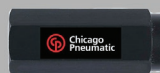

ACCESSORIES

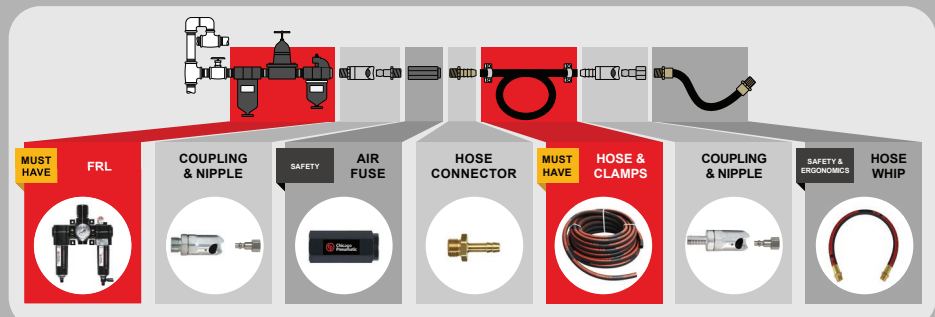

Air Flex (1/4", 3/8", 1/2")

- Easier to work on hard to reach areas
- Less hose wear

Air Fuse (1/4", 3/8", 1/2", 3/4", 1")

- Helps prevent hose whiplash
